

### **2004 COPC - Pairs Eligible for Subsidy**

Note: Listed below are the individuals eligible for subsidy money to the COPC National Final. Subsidy rules state that if no player from an eligible pair plays in the COPC National Final, replacement drops down only one place. Players qualify as individuals and receive subsidy as individuals. Dollar amounts are minimums, actual amount will be decided when the actual number of eligible players taking part in the National Final is known. All subsidy money will be paid out after the National Final when it is known what eligible players actually played in the event.
