

Pre-Alerts for Team 8

Clemens and Chan

1. **Two Systems:**

- a. A major opening when not vulnerable promises 14+ HCP, 5+ in the major and forcing. When vulnerable, a major opening is a traditional opening but it is forcing.
- b. Two of a major opening when not vulnerable is 10-13 HCP, at least 5 cards in the major but not 5332 shape. Two of a major opening when vulnerable is a traditional weak 2 opener.

Suggested Defence: The ACBL requires a pre-alert for a two system method, however, the systems themselves are general chart and therefore do not require a submitted defence.
