## ***CBF Youth and Junior Bridge Support***

Each month, I would like to honor one of the many contributors to Youth Bridge in Canada. Donations go a long way to helping support CBF programs in Canada.

Sam Krikler is a favorite partner of mine and is a generous supporter of Junior Bridge. Sam is originally from the south of Africa - Rhodesia (now Zimbabwe). He and his wife, Janine, came to Canada in 1981 and they are now living in West Vancouver.

Sam was introduced to the game in Rhodesia by his father, Bobby, and his accomplished Great Uncle, Dr. Barney Krikler. Sam also pursued a medical career and became a doctor himself – he is currently Site Head at the Surrey Memorial Hospital.

I have never played with a more gentlemanly and polite partner – he is a joy to play with. Sam encourages others to donate and support young bridge players across the country.

Donations may be made by sending a check payable to “CBF Youth Bridge” to
